THE WORST REPORTS ARE COMING IN.

It Is Estimated That the Storm Killed
One Hundred People in Geor-
gia and Florida.

Savannah, Oct. 5.—News from the
storm stricken districts along the coast
are coming in gradually, and it is prob-
able that 100 lives have been lost.

News by way of boat is that 50 people
were drowned at Fernandina.

From Campbell island, inhabited by
about 40 colored people, reports all
drowned but three.

At Brunswick four people lost their
lives.

At Jesup, 100 miles from the coast,
one man was killed by a building being
blown down by the storm.

At Sterling Station, Charles Wright,
a merchant, reports the disaster from
the flood great to lives and property in
the rice field portion of Glynn and Mc-
Intosh counties.

There are a number of small islands at
various points around Brunswick, Fer-
nandina and Darien on which small
groups of families lives. It will be some
time before accurate reports are heard
from these points.

At Darien the water was high and the
town badly damaged.

There are many rumors of loss of life,
but all reports thus far received are be-
lieved to be exaggerated. Many of those
who bring the news left the scene of the
storm during its height and consequent-
ly cannot be expected to give accurate
information.

The damage of wind and rain has
been enormous and extends inland 100
miles in some cases. The damage to
shipping is enormous.

Near Darien the schooner Blanche
Hopkins collided with the schooner Min-
nie and sunk her. The Minnie had on
board 3000 pounds of dynamite.

At Fernandina the tug Gladiolator is
said to have landed in the middle of the
town.

At Cumberland island the pilot boat
Maud Helen, landed high on a bluff at
Burbank's yard.

Schooner Edla and Emma with a car-
go of coal is ashore on Jekyll island near
Charleston.

From Sapelo island, the quarantine
station near Brunswick, nothing has
been heard.

On St. Simon's island along the beach
lined with summer cottages the tide
wrought devastation. Reports are that
all cottages have been wrecked. St.
Simons mills and other property on the
opposite end of the island are not badly
damaged, being protected by timber
lands.

GONE TO SUPPRESS THE INDIANS.

Government Troops Go to Bear Island
to Bring the Bad Redskins to Justice,
and Trouble Is Predicted.

Walker, Minn., Oct. 5.—General Ba-
con, with his Santiago veterans from
the Third Infantry, left for Bear Island
determined to bring the recalcitrant pil-
lagers Indians to terms by force if nec-
essary. He chartered two steamboats
and a large and had Gatling and Hotch-
kiss guns aboard with which to clear the
island of possible ambushes. The men
are under the immediate command of
Captain Wilkerson.

There are some apprehensions here of
a general Chippewa uprising as various
branches of the Chippewas in this vicin-
ity have about 6000 fighting and could
make much trouble if they joined the
pillagers.

Indians Will Resist Troops.

Walker, Minn., Oct. 5.—The Indians
are apparently determined to resist the
troops. Captain Ed Lucaine has just
come in on the tug Vera. She had to
put into Bear island Tuesday night on
account of the heavy weather, and was
at once seized by the pillagers. Her
fires were put out and the boat tied up
by the Indians, who threatened Lucaine
with death until he revealed the strength
of the military forces and the time the
start will be made from Walker. Luc-
aine could not give the information
they wanted, and was held until day-
light and then released. He says the
bucks are in war paint and feathers.

General Bacon has landed his detach-
ment on the main land opposite Bear
island through the heavy surf. There
were no hostile demonstrations and no
Indians in sight.

A MARYLAND MOB LYNCHES A NEGRO.

The Man Was Taken From Jail by
Force and His Body Riddled
With Bullets.

Annapolis, Oct. 5.—Wright Smith,
colored, who attempted to assault Mrs.
Morrison, wife of Captain James Morri-
son, residing near Jones' Station, was
taken from jail shortly after 2 o'clock
this morning and shot. The lynching
party went to the jail, pointed their
guns at the night watchman, Duvall,
took the prisoner to a lot near the city
cemetery and riddled him with bullets.
Smith begged for mercy and cried "Mur-
der," as he was being removed from the
jail.

Died in a Bathub.

St. Louis, Oct. 5.—Oliver W. Trepp,
said to be a son of the officer of high
rank in the British army, was found
dead in a bathub at the West End hotel.
It has not yet been ascertained what
caused the man's death.
